NETWORK OVERVIEW

QUALITY CARE YOU CAN COUNT ON

As cost control becomes increasingly important in health care, the Pre-paid Dental Plan has emerged as the most cost-efficient Dental plan available. Similar to a Medical HMO, a Pre-paid Dental Plan consists of a network of affiliated dentists. You choose the dentist or dental center where you want dental services performed. All care must be done or arranged by this dentist or center.

Pre-paid Dental Plan general dentists place emphasis on preventive care to keep patients as healthy as possible, thus reducing more serious and more expensive services later. To ensure the highest quality of care, Guardian has developed a quality management program for monitoring the quality of the dentists enrolled in the network and the quality of care they provide.

Under a Pre-paid Dental Plan, there are no deductibles. However, some plans require the member to pay an office visit fee. Refer to your plan documents to determine if this applies to your plan. There also are no annual plan maximums or claim forms for the insured to complete.

HOW YOUR PLAN WORKS

- You choose a Primary Care Dentist (PCD) from the participating General Dentists shown in the provider listing or online. The listing will include the PCD 6-digit ID.
- If you need assistance selecting a PCD, please contact Member Services prior to receiving treatment.
- Your PCD agrees to perform all covered dental services for the insured patient. Referrals to specialists are permitted only if the services

required are beyond the scope of the general dentist's abilities. Members are responsible for sharing the cost of their treatment by making co-payments for each office visit, if applicable, and for most non-preventive services.

In order for specialty services to be covered by your plan, the specialty referral process must be followed:

- (1) Your PCD must coordinate all of your dental care.
- (2) Your PCD must contact First Commonwealth (FCW) to request authorization. If the treatment is approved, you will be contacted by FCW and instructed to schedule an appointment.
- (3) A member who receives authorized specialty services must pay all applicable patient charges associated with the treatment.

PLEASE NOTE: If you receive services from a specialist without obtaining FCW approval, you will be responsible for payment of the charges associated with the treatment.

HOW TO CHANGE DENTISTS

If you wish to change your PCD assignment, contact Member Services to request a transfer. Any such transfer received by the 15th of the month will be effective on the first day of the month following approval. All fees and patient charges due to the member's current PCD must be paid in full prior to the transfer.
